The May meeting is traditionally an *evening* event to show off and present what your students have accomplished during the past year. Tables will be available for displays and there will be a time for music and oral presentations. This event is a great motivator for the students to do extra nice work and a few extra projects. Seniors will be recognized and a table will be provided for memorabilia. Start planning now and mark your calendars for May 1<sup>st</sup>. Invite the grandparents, uncles, and aunts and those interested in homeschooling so they can put it on their calendars. More details will follow in the next newsletter. Flyers and registration forms will be available at the March HOPE meeting and on the website at [www.hopecb.org](http://www.hopecb.org). Reserve your table and oral presentation spot early.
